More on the back

Look for important contact information, including the customer service phone number to call for answers to claims or benefit questions. You can also go to **healthscopebenefits.com** to check your benefits, claims status, accumulators and eligibility.

5. Your in-network (In-Net) and out-of-network (Out of Net) medical individual and family deductibles (Ded) and out-of-pocket maximums (OOPM) information.

6. Visit this website to find a provider in the physician network.

7. Call this number **only** when you need medical services and your plan requires prior authorization for those services.

8. Call this number when you have questions about pharmacy benefits.

Add your health plan details to your mobile wallet

With the **HealthSCOPE Benefits app**, you can add your health plan details to the mobile wallet on your smartphone for convenient and secure access.

Benefits to using your mobile wallet:

- Helps keep health plan details at your fingertips
- Access is convenient, simple and secure
- Easy to pull up your plan number on the go

Note: You will still need to carry your physical HealthSCOPE Benefits ID card or digital ID card in the HealthSCOPE Benefits app for care visits and to fill prescriptions.

5 simple steps

1. Open the **HealthSCOPE Benefits app** and tap **View ID cards**

2. Select the ID card to view — add as many as you like

3. View the ID card. Then under the ID card, tap the box labeled **Add to Apple Wallet** or **Add to Google Wallet**

4. Accept the disclaimer and tap **Continue**

5. Add to Apple Wallet or Google Wallet
